

Taboe2Be at Easter

29 March – 2 April

Taboe2Be the new-born 'sister' of the Taboe Tango Camps with the same spirit but with less program and dancers and more time for dancing, relaxing and for spontaneous workshops and other specials. With some 'Taboe' ingredients of course like gatherings, games and rituals.

We, Paras and Paul, have a dream whereby Tango is just the beginning. Of course we love to dance tango for hours and hours. But we also love to meet people and make new friends. And we love to go for quality of being, in the way we are together, the location where we are and the food we eat.

That is why we organize tango events that are different. We always add to milonga's, music and possibly workshop another 'magical' ingredient and that is 'people'. We have learned that every time we put extra attention and quality in the way we are together a tango event turns into an unforgettable connected, expressive and touching experience.

For this we add games to (re)find innocence, gatherings to meet everybody, silence and meditation to go deeper inside, sharing groups to open up and learn, workshops that touch the 'inner side' of tango.

We always create that special Taboe Tango experience and this way we gather many tango dancers who relate to this.

For all our events and teaching tours we aim to offer this 'extra'. At our monthly **Taboe milonga** we have our group games, such as blind speed cambio's. The **Taboe Tango Camps** are twice a year gatherings of many dancers who go for the combination of tango and theme's such as 'pure', 'dare', 'play' and 'stillness'. At our **TaoTango Experiences** we take a rollercoaster like journey using tango to enhance our mindfulness and vulnerability and to open our expressive side.

... and **TABOE2BE** at Easter in Veckenstedt (DE), 29 March – 2 April.

TABOE2BE

Our intention is to create a connected and joyful tango-space where we can re-fresh, dis-cover, interact, re-create and feel really at HOME. We offer 4 classes by 3 teachers and 6 hours of dancing a day.

THE TEACHERS

Paras Saggi & Paul Vossen

Paras and Paul are teaching tango internationally since 2004. They are well known as the organizers of the Taboe Tango Camps. Their 'beyond technique' tango approach makes them as teachers quite unique. They can take the group with ease onto a magic journey, where everybody finds a few hidden treasures to bring home.

Paras is famous for her talent to create a musical adventure with all dancers on the floor.

Michael Watson

Michael is dancing tango since ages and teaches many years in [Tango Loft](#) and [Mala Junta](#) in Berlin. He is well known for his surprising and creative way of teaching. As a Dj he is always looking for new music and creates a mesmerizing atmosphere in the milongas.
